Generative AI -- the biggest thing to happen since the advent of social media?

Join Shoji Claus in this interactive presentation on ChatGPT and the implications of the use of chatbots going forward.

ChatGPT and other generative AI have the potential to revolutionize multiple aspects of our lives. Let's explore the transformational implications, from creative content generation to data synthesis and user experience enhancement.

Shoji will examine ethical considerations surrounding authenticity and integrity.

And possible standards of transparency and accountability of chatbots.

We'll discuss the future prospects of generative AI as well as key considerations for harnessing this technology for the betterment of humanity.

ZOOM REGISTRATION IS REQUIRED. Register in advance below.

After registering, you will receive a confirmation email from ZOOM with an actual link for joining the meeting.

During the Pre-meeting session, we'll discuss topics of interest to you. Please arrive promptly at 5:30 PM to meet other professionals and share your ideas!

ABOUT OUR SPEAKER

Shoji Claus is a Sales Engineer in the West Coast Region for Next DLP. He has more than 20 years of experience in enterprise security, compliance and consulting. He has been with Next DLP for 3 years. Shoji's experience ranges from IT Systems, Management, Governance, Risk, Compliance and is a SME on Data Protection, Insider Risk Management and User and Entity Behavioral Analysis. About AITP-LA

Association of Information Technology Professionals LA (AITP-LA) meets in West LA with a focus on keeping members abreast of trends and best practices in managing technology, and providing strong networking opportunities.

AITP-LA is about technology – bringing experts in their field to share cutting-edge ideas with members. Helping members connect the dots, take the next steps, grow in their ability to apply technologies to competitive advantage.

AITP-LA is part of a national organization that provides leadership, professional development, certification and personal growth opportunities to IT managers and technologists. The core of the AITP experience is the chapter network, with 400 professional and student chapters throughout the country.

_____

AITP-LA welcomes your direct participation in chapter activities. There are opportunities to help with Publicity, Programs, Membership, Outreach, and other areas—it's a great time to join AITP-LA.

Subscribe to our newsletter: informationtechnologyzone.com

Become a member of AITP-LA: send a request to membership@aitp-la.org

Note: AITP-LA program events offer Professional Development credits for a variety of certifications (such as PMP, CISA, CBAP, etc.). Learn about cutting-edge technology trends and earn credits toward your certifications! (Please refer to your certification guidelines to confirm eligibility.)
