Himani Bhagi – Digital Analytics and Strategy Expert

Himani Bhagi has almost 15 years of leadership experience in digital and marketing analytics. She has a proven record of building programs, improving data relationships, and mentoring teams, resulting in transformative growth for organizations. She has worked across various industries and in consulting, which has honed her ability to drive consensus among teams, clients, and leadership. She enjoys the complexity of digital analytics and finding order within it.

A key aspect of her approach is building relationships with stakeholders involved in data, such as executives and development teams. She understands the importance of consensus and confidence in data to create a truly data-driven organization. She advocates for digital data literacy through teaching and training. She constantly seeks ways to improve processes and provide the analytical framework necessary to evaluate company initiatives. Overall, her love for data drives her to make positive changes and contribute to organizational growth.

She has worked for Accenture, BMO Financial Group, TV Ontario, and CBC Television.

About AITP-LA

Association of Information Technology Professionals LA (AITP-LA) meets in West LA with a focus on keeping members abreast of trends and best practices in managing technology, and providing strong networking opportunities.

AITP-LA is about technology – bringing experts in their field to share cutting-edge ideas with members. Helping members connect the dots, take the next steps, grow in their ability to apply technologies to competitive advantage.

AITP-LA is part of a national organization that provides leadership, professional development, certification and personal growth opportunities to IT managers and technologists. The core of the AITP experience is the chapter network, with 400 professional and student chapters throughout the country.

AITP-LA welcomes your direct participation in chapter activities. There are opportunities to help with Publicity, Programs, Membership, Outreach, and other areas—it's a great time to join AITP-LA.
