- **VIVEK TAUH, former CPA:** Thanks everyone for your contribution to our networking lounge.
- **Nazif Benna:** Reacted to "Thanks everyone for ..." with ❤️
- **Nazif Benna:** Joined late, happy to connect with you all [nazif BENNA](#)
- **Scott Hoch - CTO Duco Experts:** What's the pushback on a federal law? Differences in state priorities and perspectives or something else?
- **Neelu Tauh, AITP-LA, President:** Are these only for specific states and not all?
- **Neelu Tauh, AITP-LA, President:** Many websites do not allow access to the website unless you accept the cookies.
- **Roger Lux AITP LA:** Are there services arising which enable companies to keep current (and compliant with) the various privacy regulations? Including notifications to customers. Perhaps HR consulting firms? OR even Legal firms with that capability. This seems like a great opportunity for consulting firms with the right skills.
- **Neelu Tauh, AITP-LA, President:** If you opt out on a computer, will it carry over to any other mobile devices that you use?
- **Diane Krehbiel-Delson:** Is there a site that offers general privacy clause statements?
- **Steve Weil:** CIS Critical Security Controls is another good resource. [CIS Critical Security Controls](#)
