

## OUR MISSION

Our mission is to keep members informed of cutting-edge trends and best practices in managing technology, as well as to provide strong networking opportunities.

## OUR GOAL

Our goal, as a local and national nonprofit association, is to provide members with professional development, mentoring, and major leadership opportunities. With AITP-LA, you can share experiences, communicate with industry leaders, keep up with emerging technologies, enhance your skills, and contribute to the knowledge community.

## OUR MEMBERS

Our members include IT executives & professionals, consultants, attorneys, educators and students. Members receive numerous opportunities to advance IT knowledge and business skills.

Meet people in your field of interest and build life long relationships. Exchange real life experiences with your peers.

Polish your leadership skills and learn about career and discover business opportunities.

Stay on top of industry trends and emerging technologies.

Show your commitment to the IT profession and provide a voice for the future.
